ABOUT

Welcome to a world of creativity, vision, and limitless possibilities!

Whether you are a home or SME business owner, an Advertising/Marketing professional or a student of Design, you've arrived at the perfect place. I am Camaal, a freelance Graphic & Web Designer from Mumbai, India with extensive experience in Design, Printing, Signage & Web Design field.

With over 37 years of rich experience across India and abroad, I bring a unique blend of insight, expertise, and strategic thinking to every project I undertake.

My journey has been nothing short of extraordinary—having worked with prestigious global brands during my tenure at a leading advertising agency in Dubai and played a key role in branding some of Bollywood's biggest events, attended by the legends of Hindi Cinema. As an Independent Consultant, I specialize in crafting comprehensive Branding & Rebranding strategies tailored to the distinct needs of professionals and SME owners. Whether you're looking to enhance your business, showcase your talent, or take your brand to a global audience, I'm here to guide you toward success.

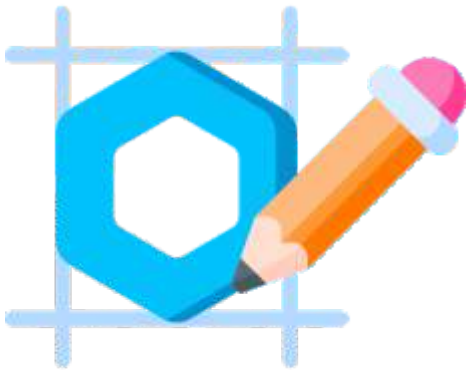

So what are you waiting for ?
Let's turn your vision into reality!
